***Max the Brave* Puppet**

Cut out construction paper ears, eyes, and a nose, and glue them on the bottom panel of a brown paper bag. Then cut out a red cape and attach it to the back! Children can insert their hands in the opening of the bag and carefully move Max's mouth along with a story time.

Be Brave Bulletin Board

Create a bulletin board around the theme of bravery. Have students/patrons bring in brave news stories, pictures of brave people, their personalized *Max the Brave* cards, etc.

Make Your Own Cape

Start by cutting off the sleeves, then lengthwise down the sides of an old t-shirt. Open the t-shirt up and carefully cut off one side, leaving the neck hole intact. Cut a slit in the middle of the neck hole strap, and attach two pieces of Velcro to both sides so that the cape is easily removable. Decorate the cape with stickers, fabric paint, etc.!
